Getting around

There is free street parking for a small number of cars and a garage parking space is available. Walking to the beach and nearby shops and restaurants is the best way to enjoy these attractions.

Where you'll be

Located on the cliffs, it is an easy walk (around 3 minutes) to the beach Praia do Carvoeiro which is a sandy bay surrounded by bars, restaurants and shops. Carvoeiro is the perfect blend of Portuguese heritage with modern touristic facilities. Locally, there is a variety of golf courses, water parks, a tennis club, horseback riding and water sports. Carvoeiro Boardwalk is within a 10-minute walk of the property where you can walk down stone steps built in the cliff.

Within a short car journey (about 15 minutes) you can reach the beautiful Carvalho beach where you will feel like a real explorer. Children will love finding the staircase through two hidden tunnels in the cliff to arrive at the beach. Just as easily, you can drive to Benagil where you can enjoy a walk along the cliff tops or take a boat trip from Carvoeiro to the Benagil caves. Other beaches close by include Praia da Marinha and Praia de Vale de Centianes.

Enjoy shopping? Visit the Aqua shopping centre in Portimão to the west of Carvoeiro or the Algarve Shopping mall in Guia (near Albufeira) to the east (both about 15 minutes away by car). They are all within easy reach by car, but because of the peaceful relaxing atmosphere that surrounds you, you may decide to never leave.

SEF Requirements

All property owners in Portugal have a legal requirement to report tourist and guest information to Serviço de Estrangeiros e Fronteiras (SEF). Upon booking, we will send to you a blank SEF form for you to complete and send back to us prior to your arrival. It is a mandatory requirement.
